

Clicking here will show a navigation  
window that looks the user to see data of  
each group.  
(Mouse hovering over the dots  
will show the information of  
channels  
↓  
An Interactive Map  
showing an overall  
Regional distribution of  
For channels of each group

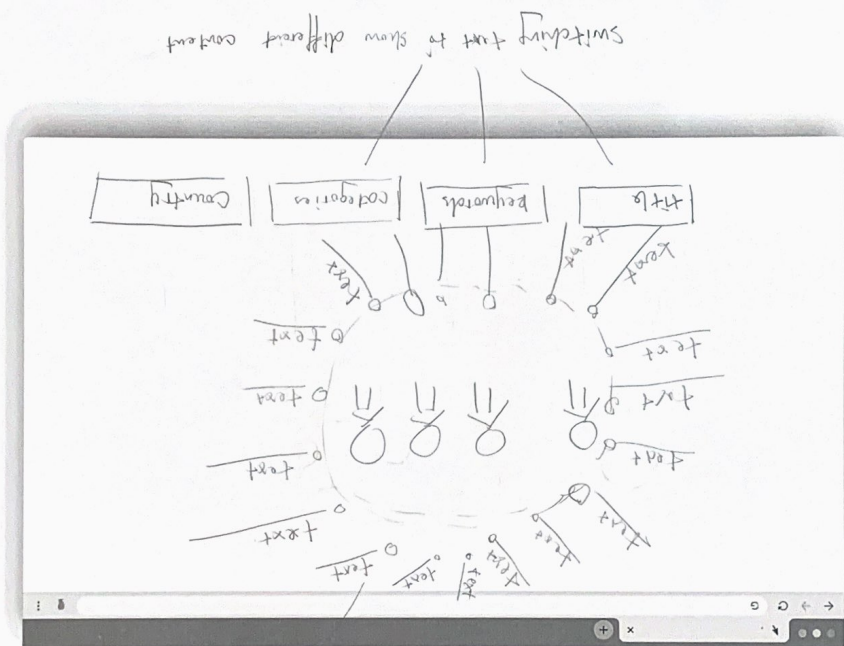

[surrounding space is for further explanation of your  
visual website prototype (introduction, transitions)]

## Second Page (Using one group as an example)

text to show what the titles/keywords are  
for keywords, the more often that word  
appears, the bigger the circle is

country will be represented  
by flag

[surrounding space is for further explanation of your  
visual/webpage prototype/interactions/transition]
